- PSE Top 13
- Definitions
- Available Resources
- Best Practice Sharing
- Questions

Background – PSE Work Group

Work Group goals: (DRAFT)

- Act as a focal point to support state-level planning, implementation and evaluation of PSE change strategies for SNAP-Ed, utilizing the Top 13 PSE interventions identified for LHDs.
- Act as a clearinghouse of PSE change resources and strategies for local health departments, Training Resource Centers, and state Project Officers.
- Review and recommend evidence-based PSE practices and interventions.

PSE Top 13 - NEOPB

- Early Childhood
- School Wellness
